

--Invitation to the First International Conference on Cyborg and Bionic Systems (Singapore Venue)

Dear Prof._____

The First International Conference on Cyborg and Bionic Systems (ICCBS 2025, Singapore Venue) is scheduled to be held in **Singapore City, Republic of Singapore** from **July 24th to 26th, 2025**. This conference is sponsored by Beijing Institute of Technology and organized by the journal [Cyborg and Bionic Systems](#).

ICCBS 2025 is an international conference to promote the knowledge interchange and hybrid system codesign between living beings and robotic systems. Living beings inspire improvements or novel robotics systems which, in turn, shall enable knowledge enhancement and extension of capabilities for living creatures.

The Honorary Chairman of *ICCBS 2025* is Wang Zhenchang, Academician of the Chinese Academy of Engineering. This conference also holds technical tours to enrich the fruitful discussions among conference attendees. As a distinguished expert in these fields, we **invite you to attend the conference, your involvement plays a crucial role in making ICCBS 2025 a successful event.**

Time: July 24 to 26, 2025

Address: Singapore, Republic of Singapore

Contact: Xin Liu

Tel: 010-68914772

Email: editorialoffice@cbsystems.org.cn

Conference website: <http://n3.svipmeeting.com/web/us>

Official Website: <https://spj.science.org/journal/cbsystems>

We sincerely look forward to your favorable reply. Best regards!

- ◆ The journal [Cyborg and Bionic Systems](#) is a science partner journal with an impact factor of 10.5 in 2024 JCR report, and has been indexed in SCIE, EI, Scopus, Pubmed, CNKI, DOAJ and Inspec.
