

## --Invitation to the First International Conference on Cyborg and Bionic Systems (Singapore Venue)

Dear Prof.\_\_\_\_\_

**The First International Conference on Cyborg and Bionic Systems (ICCBS 2025, Singapore Venue)** is scheduled to be held in **NTU@one-north, Singapore** from **July 24th to 26th, 2025**. This conference is organized by the journal **Cyborg and Bionic Systems**.

*ICCBS 2025* is an international conference to promote the knowledge interchange and hybrid system codesign between living beings and robotic systems. Living beings inspire improvements or novel robotics systems which, in turn, shall enable knowledge enhancement and extension of capabilities for living creatures.

The Chairman of *ICCBS 2025* is Wang Zhenchang, Academician of the Chinese Academy of Engineering and Xiaoyuan (Shawn) Chen, Professor of National University of Singapore. This conference also holds technical tours to enrich the fruitful discussions among conference attendees. As a distinguished expert in these fields, we **cordially invite you to attend the conference and give an oral presentation, your involvement plays a crucial role in making ICCBS 2025 a successful event.**

**Time:** July 24 to 26, 2025
